OUR VISION

To meet and exceed our valuable client's expectation through our service in the Electrical and Energy sector and to deliver extreme quality, cost effective projects on schedule by employing and supporting passionate, flexible and focused professionals. We value the importance of our relationship and will continue to remain fair and true in our dealings with all our team, customers and subcontractors.

OUR MISSION

Skyview Power will be one of the best and most respected EPC Company in our Industry as measured by our Employees, Our Customers and our Communities. Our aim is to reach a maximum number of satisfied customers with best provided quality in the field of all Electrical and Energy sectors. We are improving our services by continual improvement with the help of our expert team to be the best service provider in India as well as overseas

Core Values

1. Safety
2. Quality
3. Customer Satisfaction.

COMPANY POLICY

✦ Our Corporate Values:

✔ To Value Our Employees.

We believe in the unlimited potential of people empowered, engaged, and focused on a common mission.

✔ To Value Our Customers.

We believe each customer is unique. We listen closely to their needs and collaborate to build great projects. With passion, we combine our energy, knowledge, and talents daily to construct projects that exceed our customers' expectations.

✔ To Value Our Communities.

Our communities welcome us as neighbors, employers, and environmental stewards. We are members of many communities: family, school, neighborhood and business... it is from these communities that we gain our sustenance. We believe that benevolent leadership is essential to the prosperity of all our communities.

✔ To Value Integrity.

We believe that honesty and candor are the foundation for integrity and trust. We build mutually beneficial relationships with our customers, architects, designers, engineers, subcontractors, and suppliers. We believe that success is the byproduct of doing the right thing.

✔ To Value Continuous Learning.

We believe that knowledge empowers and learning leads to change and growth of individuals and organizations. In our drive for continuous improvement, we encourage our employees to take risks, look for smarter ways to work, seek new ideas, reduce waste, and use resources wisely.

✔ To Value Continuous Improvement.

We set ambitious goals, stretch to meet them, and then "raise the bar" again and again. We believe that everything can be done better, faster, and more effectively in an environment that strives for excellence. We encourage our employees to constantly look for new ways to create value for our customers.

✔ To Value Continuous Improvement.

We believe each customer is unique. We listen closely to their needs and collaborate to build great projects. With passion, we combine our energy, knowledge, and talents daily to construct projects that exceed our customers' expectations.

QUALITY POLICY

We are an EPC Group delivering projects and services in the, Infrastructure, Entertainment, hotels, hospitals sectors and Commercial & Institutional buildings.

We are committed to client satisfaction through excellent performance. To achieve this vision we continually strive not only to meet client expectations but to exceed them. We monitor our performance on all projects through our routine evaluation processes, customer relationships and industry recognition.

Organization capabilities will be continually improved to retain competitive advantage by aligning our processes, to build strong business relationships with customers and suppliers. We Endeavor to be the customers preferred choice in everything we do. Our customers will experience professional competence and high level of service in our deliveries.

- Sky View Solar

SAFETY POLICY

We are committed to making safety a top priority for all employees. We integrate safety and risk management into our daily operations, ensuring that it becomes a natural part of our operation's culture, enhancing management/worker cooperation and providing long-term positive results.

- Sky View Solar
